The race is open for every cyclist older than 14 years. Since 2008, start and finish of La Charly Gaul are in Echternach the course is tough through the North of the Country and the region called Little Switzerland, in the East of Luxemburg. The different climbs on the course have been used many times by Charly Gaul a long time ago, and they are there to remind us of the victories of the climber, who has also participated a few times in the event. Two courses will be available, the longest one measuring about 150 kilometers and the shorter one around 100 kilometers
